

# ABC 6000™

## BACTERIA AND FREE HYDROLYTIC ENZYME LIQUID BLEND

### FEATURES AND BENEFITS:

- Contains microorganisms and bio-enzymes for targeted cleaning power
- Digests grease, fats, oils, starches, proteins, and cellulose in a non-odorous manner
- Offers an economical approach to formulating microbial products

### PRODUCT DESCRIPTION

ABC 6000™ is a blend of bacteria and free enzymes for use as the base culture in formulating a wide range of biological cleaning products. ABC 6000™ combines non-pathogenic bacteria with protease, amylase, cellulase, and lipase enzymes to improve the release and removal of soil and odor-containing compounds found in organic waste. These natural bacteria and enzymes work to solubilize grease, fats, oils, starches, proteins, and cellulose in a non-odorous manner.

ABC 6000™ comes ready-to-formulate in a liquid, pre-stabilized state. Use of the blend reduces inventory and shipping costs, providing an economical approach to the formulation of bio-enzymatic cleaning liquids.

### TYPICAL APPLICATIONS

- Serves as the base culture for the formulation of a wide range of cleaning products
- Can be used as a cleaning aid and an organic digestant for release and liquefaction of a wide variety of organic wastes

### SPECIFICATIONS

Description	Beige to brown
Stability	Max. loss of 1 log/yr
pH	7.0-9.0
Enzyme Present	Protease, amylase, cellulase, lipase
Bacteria Count	2 x 10 <sup>9</sup> CFU/g

### PACKAGING & STORAGE

Available in 4x4 L, 20.37 kg, 208.82 kg, and custom packaging.

Store in a cool, dry location. Packaging must be kept intact, dry, and away from sunlight. Please follow the recommendations and use the product before the best before date. Contact Bionetix® with questions. Avoid inhalation and eye contact. Avoid excessive skin contact.
