

BIO-BOOM™ TAB

PORTABLE TOILET DEODORIZER/TREATMENT TABLET

PRODUCT DESCRIPTION

BIO-BOOM™ TAB treats and deodorizes portable toilets and mobile systems aboard vehicles. It is quick acting and leaves a fresh fragrance behind. Beneficial microorganisms digest organic waste and continue working in the retention tank long after application. BIO-BOOM™ TAB is 100% biocide-free, does not contain formaldehyde or other harsh chemicals, and has no adverse effects on waste or sewage treatment plants.

The BIO-BOOM™ TAB is easy to store and use—no measuring, waste, or mess. Simply toss one of these fast-dissolving tablets into the portable toilet for cleaning action and deodorizing power. BIO-BOOM™ TAB has extra paper-degrading power and is self-mixing.

PACKAGING AND STORAGE

Available in water-soluble tablets (60 x 25 g per 1.25 kg plastic pail, 12 pails per box).

Store in a cool, dry location. Packaging must be kept intact, dry, and away from sunlight. Please follow the recommendations and use the product before the best before date. Contact Bionetix® with questions. Avoid inhalation and eye contact. Avoid excessive skin contact.
