

Specialty Concentrates & Additives

Formulate Smarter with Nature

The demand for high-performance, environmentally responsible concentrates and additives continues to grow. Across industries, formulators are looking for safer, more natural ways to enhance cleaning, boost biological performance, control odors, manage waste, and support sustainable production.

The formulation possibilities are broad and highly customizable, including:

- High-strength biological boosters for wastewater and industrial systems
- Enzyme-rich additives for stain removal and soil degradation
- Natural odor elimination and air-quality enhancers

- Nutrient and micronutrient concentrates for microbial stimulation
- Specialized blends for grease traps, drains, and septic systems
- Custom formulations for private-label industrial, commercial, and agricultural applications

Whatever the target industry or application, Bionetix® puts the power of nature to work, delivering environmentally compatible, science-backed solutions your customers can trust. Many global brands rely on Bionetix® for private-label specialty concentrates and additives that are effective, scalable, and market-ready.

Technical support, dosing guidance, and formulation assistance available.

Bacillus & Microbial Additives

ABC 1000™

Multipurpose Bacillus Spore Powder Additive
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating

ABC 4000™

Multipurpose Bacillus Spore Liquid Additive
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating

ABC 6000™

Bacteria & Hydrolytic Enzyme Cleaning Additive
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating

FOG & Hydrocarbon Control

ABC 1200™

Synergistic Spore Blend for Rapid FOG Breakdown
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating

ABC 1500™

Synergistic Spore Blend for Rapid Hydrocarbon Breakdown
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating, Oil & Gas, Environmental Services, Waste Management & Landfills, Marine

Enzyme & Probiotic Concentrates

ECL1000™

Enzyme and Microbial Cleaning Concentrate Base
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating

ECL1200™

Advanced Enzyme/Microbe Concentrate for Cleaning
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating

ECL3000™

High-Efficiency Enzyme Concentrate for Soil Removal
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating

ECP1300™

Enzyme/Probiotic Concentrate for Formulation Use
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating

ECP1611™

High-Efficiency Protease Enzyme Powder Concentrate
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating

ZymixPro 5L™

Multi-Enzyme Hydrolysis Accelerator
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating

Hygiene & Odor Control

ABC 9000™

Water-Soluble Spore Powder for Odor Control
Ideal for: Chemical Manufacturing, Pet Care, HI&I Cleaning & Formulating

HYGIEA2000™

Non-Formulated Bacterial Concentrate for Hygiene & Odor Control
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating, Grease Trap & Drain Maintenance

HYGIEA2200™

Enhanced Bacterial/Enzymatic Hygiene Concentrate
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating, Grease Trap & Drain Maintenance

HYGIEA2400™

High-Strength Enzyme and Microbial Cleaning Concentrate
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating, Grease Trap & Drain Maintenance

HYGIEA2401™

Premium Microbial/Enzyme Cleaner Concentrate Variant
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating, Grease Trap & Drain Maintenance

HYGIEA2600™

Specialized Microbial Cleaning Concentrate for Stains
Ideal for: Chemical Manufacturing, HI&I Cleaning & Formulating, Grease Trap & Drain Maintenance
